Following Resolutions were passed in the meeting as per agenda:

Resolution: 1

It was resolved to finalize the titles of the papers of Geography at UG and PG and revise the existing syllabus to some extent with emphasis on Field-Based Experimental Learning (FBEL) and focus on the practical component.

Resolution: 2

It was resolved to combine the existing five units and limit the number of units to four both for Geography and environmental studies courses of the class FYBA and FYBCOM respectively.

Resolution: 3

It was resolved to remove the landforms those are not observed in the Konkan region from FYBA-Geography course. Also, weight to the practical component is increased; it

may be helpful for the further courses to be added in the second year and third year. All the members accepted the revision.

Resolution: 4

It was resolved to remove some part from FYBCom Environmental Studies that may be covered under Foundation Course Syllabus of the same class. The practical component is designed with the view of skill development; it may be helpful for other courses of commerce and to have knowledge of such component is fundamental. All the members accepted the revision.

Resolution: 5

It was resolved to approve the syllabus of the environmental component of Foundation Course at F. Y. / S. Y. B. A. / B. Com. / B. Sc. for four semesters.

Resolution: 6

It was resolved to approve the syllabus of the first semester of M.A. / M. Sc. in Geography with some changes in the university curriculum.

Resolution: 7

It was resolved to accept Continuous Internal Assessment (CIA) for 30 marks (the division of 10 + 10 + 10). It is also resolved that Test should be conducted in computerized mode only.

Resolution: 8

It was resolved to accept the Semester End Examination of 70 marks and 2.30 Hours' duration having 5 questions with the view to assess knowledge, skill and competence, i.e. application.

Resolution: 9

It was resolved to accept the objectives and outcomes of the courses and it should be reflected on the website through the syllabus. In addition to term end examination, the online test may conduct with the view to assess the learning outcomes at the completion of the course.

Resolution: 10

It was resolved to finalize the list of Paper Setters, Examiners, Moderators as proposed by the chairman of the BoS and approved unanimously by the BoS members.

Resolution: 11

It was resolved to conduct the various certificate programs related to Geo-Spatial Technology in collaboration with IIRS. In addition, PG Diploma in Geo-Spatial Technology may be started w.e.f the academic year 2020-2021.
