

## **Entrepreneurship, CSR, Training and Placement Cell**

The Entrepreneurship, CSR, Training and Placement Cell organized two Campus Placement events during the academic year 2023-24. One is with EthernetExpress from Goa where 06 students got selected with package between 1.8 to 2.20 Lakhs (With free accommodation in Goa). And another company came for campus was ICICI bank. The cell organized four workshops for students on various topics like Cyber Security, Certification in Manufacturing Technology, How to become financially strong after graduation etc. From last academic year the cell has started an activity for students namely 'Metamorphosis : Developing Insight for Entrepreneurship' where first generations entrepreneurs are interviewed. During 2023-24 Mr. Jaydev Barve, Founder and GM, Barve Fertilisers, Mrs. Kamakshi Barve, founder and GM, Barva Therapies' and Mr. Ravalanath Shende of Shree Refrigerators Ltd, Karad were interviewed under this program. The cell also shared the interested student's data to TCS Pune and SSS Industrial Solutions Pune for Off Campus job opportunities.
