Resolutions:

Following resolutions were passed unanimously.

- i. Some topics viz. Mathematical physics, Nuclear physics etc. in the old syllabus were found to be hard to understand by F.Y.B.Sc .students. As such it was resolved that said topics will be replaced with comparatively easier ones. The draft of new syllabus is attached hereto as Annexure I.
- ii. It was resolved that the internal examination would be of 30 marks comprising of 2 online class tests of 10 marks each, 5 marks for attendance and 5 marks for active participation in activities like seminar, research projects etc.
- iii. It was resolved that additional examination be conducted for the students who remain absent for the internal test on the basis of medical ground/ NSS/ NCC/Sports activities where they represent the college.
- iv. It resolved that external examination of 70 marks be conducted at every semester end. Said pattern was approved by the BoS.
- v. It was resolved that the practical examination should be conducted for each semester before theory examination.
- vi. It was resolved that there would be two paper setters for each paper from some other college/s and the chairman will be from our college only.
- vii. Lists of paper setters and examiner were prepared. The same were approved by the BoS.
- viii. It was resolved that some skill based and value added courses be started and the same would be compulsory for the students.
- ix. It was resolved that two experiments from the T.Y.B.Sc. be replaced by two new ones.
